MEMO ENCL.

2/7/22

VOSR proceeding adjourned  
to March 9, 2022 at 11:30 AM.

Re: United States v. Steven Guzman,  
18 Cr. 432 (CM)

Dear Judge McMahon:

I write on behalf of the parties to provide a status update regarding the pending VOSR proceedings in the above-captioned case. Without objection from the Government, I respectfully request a 30-day adjournment of the status conference currently scheduled for tomorrow, February 8, 2022.

Enclosed please find Mr. Guzman's certificate of completion from Cornerstone Treatment Facilities Network, which memorializes his successful participation in Cornerstone's month-long inpatient substance abuse treatment program. Presently, the parties are negotiating a resolution to the VOSR proceedings and require additional time to finalize an agreement. Accordingly, the parties agree that a 30-day adjournment of the status conference is appropriate.

Respectfully Submitted,

Andrew J. Dalack, Esq.  
Assistant Federal Defender

This letter serves as verification that Steven Guzman was admitted to Cornerstone of Medical Arts Center's Rehab December 15<sup>th</sup>, 2021 and successfully completed on January 12<sup>th</sup>, 2022

Cornerstone's mission is to make available to the communities we serve quality care for the treatment of chemical dependency in a progressive, dignified, culturally diversified, confidential, and safe environment. Our goal is to also identify, assess, educate, and refer a patient into the appropriate community provider(s), promoting a healthier substance free lifestyle. Patients are empowered to have an improved insight on their addiction, addressing individualized thoughts and feelings, while creating a connection to positive support groups.

Should you require any additional information, please do not hesitate to contact the primary counselor, Mr. John Ricks at (718) 906-6700 ext. 3239
